

Kommunikation, Design,  
Digitale & Live Kommunikation

WOA is an independent, owner-managed advertising agency, design agency and events agency. We see ourselves as consultants and companion in all areas of communication and design, including online and live communication. Our Focus is the development and realisation of interdisciplinary projects. In order to achieve this, we bring together all the important communication channels and bond them into a successful whole.

**3 Offices**

**4 Disciplines**

**9+ Creative Minds**
